
Altium File Type Not Recognized

Download

Nov 8, 2018 - Hello, I need to open the .pcb file, but I can't do. I tried with Altium but it says "File type not recognized". I tried with Solidworks but it can't see my schematic. How do I open them with Altium? I tried with Visio but it said "File type not recognized". But I already tried with Gestalt (not working apparently). How do I open it with Visio? My file: I tried with Solidworks but it can't see my schematic. How can I do it? I tried with Gestalt but it said "File type not recognized". But I already tried with Visio, but it said "File type not recognized".
