Dec 23, 2011 E-Sword's most notable series of products is the NIV Bible. The NIV series provides a compromise between ersus and BibleWorks, with strong ersus-like functionality. The NIV is used by the Christian Broadcasting Network, as well as by many TV stations around the US. It is primarily sold as a stand-alone product, rather than an add-on to BibleWorks. The NIV is primarily a media edition, meaning that its facility for research and word study is excellent. Nov 1, 2010 E-Sword is the world's premier Bible translation software, offering an easy, powerful, and elegant way to create, edit, print, and share beautiful, accurate, and easy-to-understand Bible translations. With E-Sword's intuitive interface and easy navigation, you can concentrate on the text, avoiding the frustrations associated with working with an unwieldy, poorly designed Bible software user interface. E-Sword Bundle for NIV (NIV) With BibleWorks 7.0 requires a license from BibleWorks, version 7.0 or later. A valid ersus serial number and valid BibleWorks Pro serial number is required for use of the NIV "view" function. Third-party BibleWorks upgrades are not valid for "view" use.
